

Erlanger Police Department

Monthly Report

JUNE 2018

Monthly Summary

by: Todd Brendel

EPD honored our dispatchers at the June 5th council meeting.

Chief Brendel greeting the kids at Coffee with a Cop on June 9

Other Highlights

- We hosted a "Thank You" luncheon for our dispatchers on June 14th
- We participated in "Touch a Truck" on June 7th
- Reassigned Doug Eagler as the new training officer upon the resignation of Greg Aylor
- We have completed the merger with Kenton County Dispatch.
- We have concluded our police services for Crescent Springs.
- All Officers attended and successfully completed the Summer Rifle Range Qualification
- Members of the newly adopted ECAT team began training with the Northern Kentucky Drug Strike Force. They will be out on their own July 1.
- Accident reconstruction team worked two separate fatality collisions on Bromley Crescent Springs Road this month.

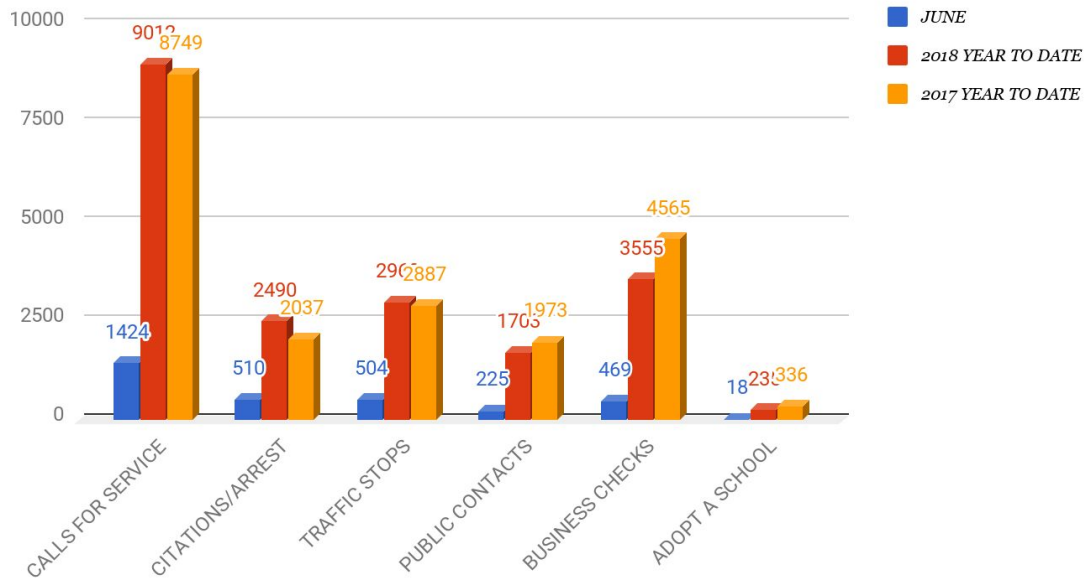

Sgt. Atchley graduated from the Academy of Police Supervision on June 22nd.

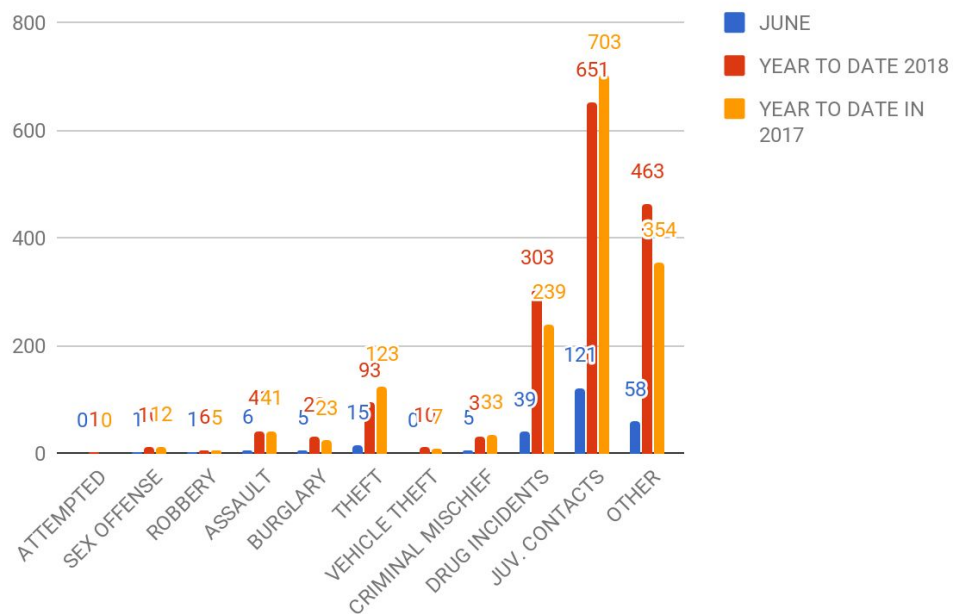

- Patty Sanchez graduated from DOCJT Telecommunications Academy.

Monthly Highlights

Criminal Investigative Division

Narrative:

Community Resource Officer

We assisted with this year's "Touch a Truck" event. Officer O'Hara showed off his SWAT equipment along with his police cruiser. Sgt. Girdler and Officer Clark with their K-9 partners were also present. They are always a big hit with the community. PSW Becky Strouse worked the event for the first time and made some positive contacts and made the visitors aware of her new role with the city and the resources she could provide.

Our June, "Coffee with a COP" event at the Colonial Cottage was another successful event. There were several new faces in attendance. We were able to reach out and visit with several individuals that were not aware of the event until after they arrived. It was a positive event for the community, our officers and Colonial Cottage. Our next event will be on July 25th, in the parking lot across from Dunkin Donuts 508 Commonwealth Avenue. Due to the heat, we decided to name it, "Iced Coffee with a COP" since DD is next door and serves iced coffee. Please come out to see us as the K-9 officers will be present this time, something that several people have express interest in.

I was able to attend training for the new MDC as a result of the change over to Kenton County Dispatch along with training at range for the yearly departmental qualification on rifles.

I also attended the Cincinnati Club meeting this month. I have been attending this each month by invitation from Erlanger resident, Monte Rovekamp. It ended up being his last meeting as he died unexpectedly on June 24, 2018. He was a strong supporter of Law Enforcement throughout the Greater Cincinnati area and will be greatly missed.

Officer O'Hara at the "Touch a Truck" event

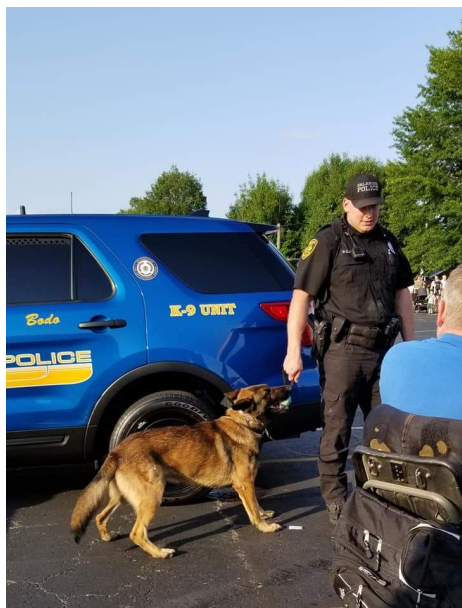

Training

This month the department participated in another range qualifying event. We went to the range on 4 different days to qualify all members on the rifle.

Canine Unit

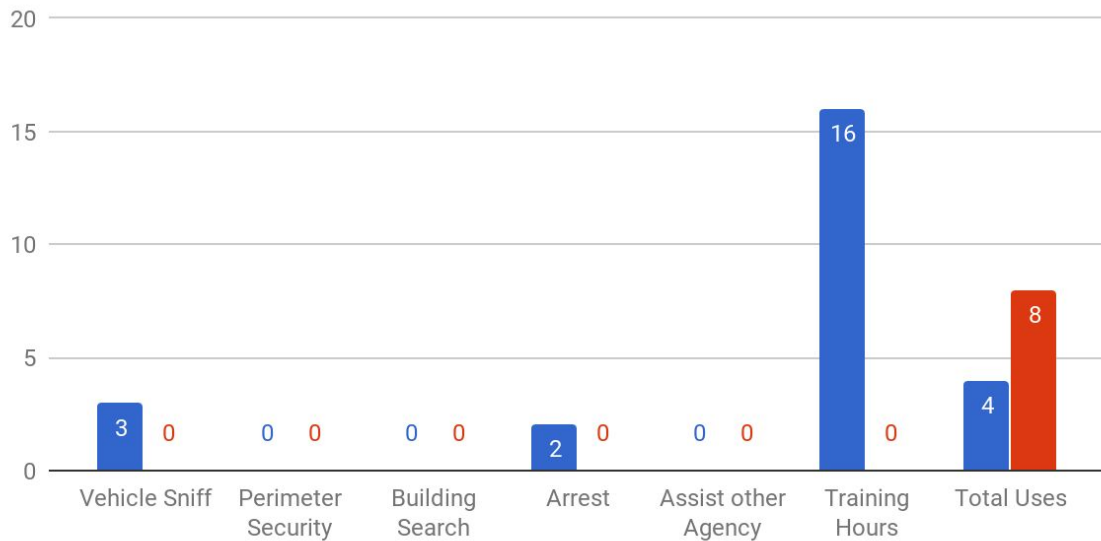

Narrative:

The K9 teams conducted two days of scheduled training during this month. K9 Asco was off for a week and a half for vacation, and K9 Bodo had limited uses due to injury to the handler.

Canine Uses April 2018

Asco vs. Bodo

Notable Uses:

June 4, 2018--Units were called to a Robbery at Circle K, 619 Stevenson Road. Units quickly arrived on scene and a perimeter was set up in the last know direction of travel. The clerk advised that the suspect left the store and took a left on foot. K9 was deployed to the West of the doors. K9 was unable to locate a successful track in the area. He was cast around the area past the last known location to attempt to pick up odor, but did not locate a track. He was cast around the rear of the business and to the East of the business, but with the same results. He was brought back to the front door again and was deployed to locate a track, and again was unable to locate a successful track. The track was called without locating a successful track. (0318010017)

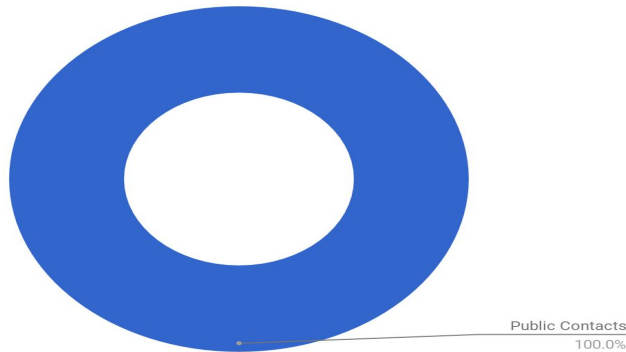

June 25, 2018--A suspicious vehicle was located on the lot of Silverlake Park, 102 Division St, after hours. The suspects, Flinn and Stewart, were observed naked in the back of the vehicle trying to dress themselves. A cigarette pack was observed at Flinn's feet upon initial contact. While walking to the rear of the vehicle to read the license plate, Flinn was observed bending over. When contact was made again at his window he was observed placing the cigarettes between the two. When they were removed from the vehicle to conduct a narcotics investigation Stewart was observed dropping the pack of cigarettes outside of the vehicle. K9 was deployed to sniff for narcotic odor and indicated on the cigarette pack. Located in the cigarette pack were two small ziplock baggies with a white powdery substance and two cut straws with a white powdery residue. A further search of the vehicle located another cut straw in the center arm rest. Flinn and Stewart were arrested for PCS 1st and PDP. (0318011481)

Bike Patrol

Activity

Hours ridden: 30

Miles covered: 105

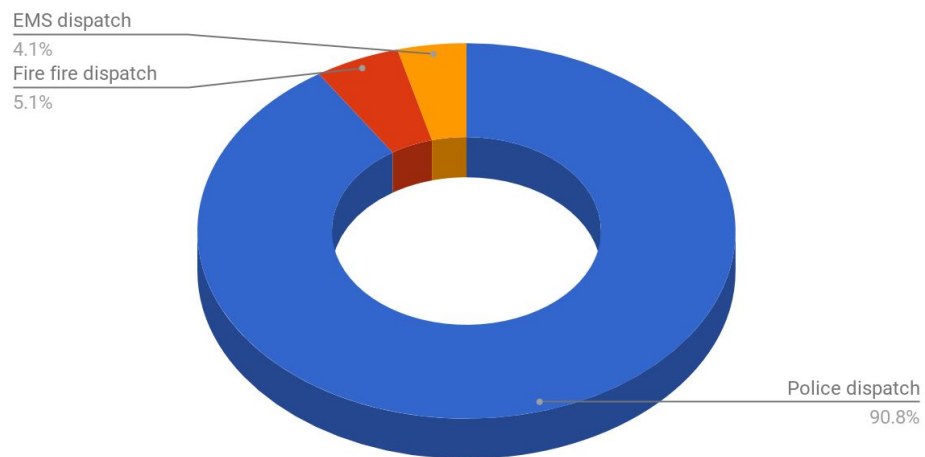

Narrative: Sgt Scroggin attended the annual International Police Mountain Bike Association (IPMBA) conference held in St Louis. During the week he successfully completed the Police Cyclist Instructor Course and is now certified to train and teach new bike patrol officers. With this certification, Sgt Scroggin will not only save the department money by certifying our own officers, but will also be able to create income for the bike program by training outside agencies as well. Sgt Scroggin biked over 100 miles during the week and established working relationships with officers across the country. Tentatively, there are plans to certify two new officers into the bike program later this year.

Police Explorers

The Explorers took the month of June off to recuperate from another long year of hard work. They begin training again on July 1st

Communication Center

Narrative: The Erlanger PSCC was preparing for the merge to Kenton County dispatch. Paty Sanchez went to the dispatch academy in Richmond and graduated on June 29th.
